

Rally Sunday! God's Work Our Hands

Please join us on Sunday, Sept. 12th for Worship, we will bless the kids backpacks, bless the items that will be assembled into other backpacks, and install the Sunday School Teachers.

We will also be presenting our 2nd graders with Bibles from the Women of the Church. Following worship we will have lunch, hotdogs and buns plus utensils will be provided by a Thrivent Grant to help us with our first God's Work Our Hands day! The rest of the meal will be potluck salads, chips or deserts, whatever you want to provide. Then we will assemble the backpacks which will help less fortunate kids here and also be sharing our gifts to Lutheran World Relief!

Then we ask that you stick around, play some games, and enjoy time as a Community of Faith! Because of all the activities we invite you to join us in tennis shoes, Thrivent Shirts and casual clothes!

Let's make this a day to praise God and have some fun!!!
